

Septic Tank Pumping Service In Elmont VA Receives Glowing Testimonial

March 15, 2018

March 15, 2018 - PRESSADVANTAGE -

Commonwealth Waste Solutions, a business in Mechanicsville, VA, is proud to announce that they have received a new glowing testimonial from a happy customer. To highlight this five star customer review, they have turned it into a showcase video, which was published on March 12, 2018. It can be viewed at <https://www.youtube.com/watch?v=gkq--UI6AHM>.

In the review, a homeowner expresses how extremely happy he was with the septic tank service done for his home in Elmont, VA. He wanted to share his experience for others to benefit from. Tony H. says: "Booked these guys for a tank pump. They were polite, efficient, and did a great job, and about 10% cheaper than the other companies that quoted me for the same job. I was very happy with the service and will definitely use these guys again and recommend them to my friends."

The review clearly highlights the various commitments that the company has made to its customers. These include a professional, trustworthy service at prices that people can afford. They are particularly grateful for Tony H.'s recommendation to friends.

As shown on the company's Google maps page at <https://goo.gl/maps/KCFqH6p9cvK2>, Commonwealth Waste Solutions covers a very wide geographical area, stretching from Partlow to Mechanicsville, and from Oilville to Manquin. In each of these areas, they have set themselves apart as the go to company for all things waste solutions, including septic tank cleaning.

The company has also built an active community on social media on their Facebook page at <https://www.facebook.com/CommonwealthWasteSolutions>. Many of their past customers have taken to the Facebook page to leave reviews, but they are also particularly appreciative of the regular news updates that Commonwealth Waste Solutions provides on septic tanks and other waste issues. In so doing, customers are given the opportunity to ask questions and join in discussions surrounding waste management, which are very important issues for property owners in particular.

Offering septic tank cleaning and other services across Hanover County, Virginia, Commonwealth Waste Solutions has helped countless people across the area. Besides septic tank pumping, they also offer a full grease trap service, vital for commercial buildings with a kitchen.
