

ROOF.NET

Dependable. Honest. Professional.

One Of The Top Roofing Companies In Centreville VA Receives Glowing Testimonial

March 15, 2018

Fairfax, Virginia - March 15, 2018 - PRESSADVANTAGE -

Roof.net, a roofing company in Fairfax, VA, is proud to announce that they have received a new glowing testimonial from a happy customer. They have now transformed the review into a showcase video that was posted on March 13, 2018 and can be seen on <https://www.youtube.com/watch?v=iyHN-X0v7w8>.

In the review, the homeowner expresses how extremely happy he was with the service received from the roofing contractor in Centreville, VA, and that he wanted to share his experience to others. Thomas Rasmussen says: "Very satisfied with the speed and quality of our roof replacement. Ken and his crew were very professional and courteous. I would definitely recommend to anyone looking for repairs or a new roof."

The company prides itself on being able to deal with any type of roof repair and any cause of roof leaks. They offer specialized services, for instance, for roof leaks caused by poor ventilation, which is particularly common in Centreville. Additionally, since rainfall is quite persistent and heavy in this area, the company recommends that people have their roofs checked regularly for damage, thereby avoiding a need for more serious, and expensive, repairs.

Full details about the services provided by Roof.net can be found on their website at <http://roof.net/repair/centreville/>. These include roof repair and full roof replacement, leak detection and leak repair, and more. They also offer free, no obligation estimates to all potential clients. Furthermore, they have an interactive infobar on their website that indicates whether there are any problems caused by weather or other issues that affect the work that they can do. These include the current problem with heavy wind storms, which have caused a lot of damage in the area and are causing some delay.

As shown on the company's Facebook page at <https://www.facebook.com/roofrepairva>, Roof.net is building a community of homeowners in the Centreville, VA area. With them, they share pertinent information on the need for roof repairs, how to spot developing leaks and other problems, and more. Customers have also used the Facebook page to express how happy they were with the service that they have received.
