March 16, 2018 - PRESSADVANTAGE -

Gulf Coast Merchant Services, a local provider of Pensacola, FL Merchant Services, announced a successful February month by signing on multiple new clients. Among the many businesses now partnering with GCMS, a few included are The Shack, The Grove, Lucky Jack's Tattoo and Natalia's Pizza and Pasta, respectively.

Owner of Gulf Coast Merchant Services, Steven Cadenhead, gave his thoughts on his successful February by stating, "We always appreciate the opportunity to support local businesses. It's awesome to be able to offer our services to business owners so that they can take their POS systems to the next level."

GCMS prides themselves on being able to provide the most up to date merchant services, credit card processing, POS systems, Gift Cards, Check Processing, and ATM options on the market. As well as offering modern technology and reliable friendly customer service, the owner of the business attributes his recent spike in clients to another exciting change GCMS was able to implement earlier in the year.

"We were happy to be able to offer our most popular POS systems at a lower price due to our exclusive partnerships within the industry. We were able to provide our local businesses with hundreds in savings over the course of the year and it makes a huge difference in the long-run," said Mr. Cadenhead.

Pensacola, FL Credit Card Processing is a main focus of many of the successful business on the Gulf Coast. With the busy summer season fast approaching, GCMS expects to see their POS systems in many more new clients storefronts in the near future.
