

Cruvina Shatterproof Wine Cocktail Glasses Can Be Used At Outdoor Performances

March 28, 2018

March 28, 2018 - PRESSADVANTAGE -

Cruvina, providers of shatterproof plastic glassware, announces that their wine glasses can be used to enjoy drinks during an outdoor performance.

Erin Moore, Co-Founder of Cruvina, shares "My husband and I enjoy attending theater performances in the park. And we always bring along a picnic basket with wine and nibbles. This outdoor setting is no place for our fine crystal glassware. We just don't want to risk breaking the glasses and leaving shards in the grass. So we pack our Cruvina wine glasses. They allow us to enjoy the experience without any worry."

Cruvina wine glasses enable stress-free enjoyment of wine in the outdoors because they are made of Tritan plastic, a high-quality, food-grade, BPA-free polymer that looks like glass. This plastic is very strong and does not crack or shatter easily, even when dropped.

As well, Tritan plastic is both stain-resistant and odor-resistant. This means that the glasses retain their clarity and shine after repeated use and washings. They have a stemless design that reduces the chance for tipping over, even when placed on the ground or other rough surfaces. The glasses can be used to serve any cold drinks, from chardonnays or cocktails to water at any outdoor performance, from theater in the park to a concert on the beach.

Cruvina customers are happy with the quality, safety and versatility of the glasses. Here is what one had to say:

"These glasses are so classy and perfect to take along for wine drinking purposes at Hollywood Bowl performances. I enjoy good wines at this stage of my life and pouring them in the correct glasses is important to me. I never wanted to take real wine glasses to outdoor summer performances and these will be the perfect alternative. These feel great in my hand. I purchased extra sets to give away to family and friends for Christmas. Great price."

Cruvina wine glasses are available on Amazon and come with a 30-day money-back guarantee. Each box comes with four 13-ounce completely reusable glasses.
