Pensacola FL Sunroom Provider Now Offering Discount in Launch Phase of Blockhouse Shed Series

March 30, 2018

March 30, 2018 -
Business Owner of Titan Sunrooms Fred Genkin's objective is to produce, setup and provide an increasing dealer base around the country with the most innovative custom materials on the market, including screen rooms, in Pensacola FL. While in the launch phase of the Blockhouse Shed series, Fred will be offering a discount to anyone interested in the addition to their home.

The sheds of the Blockhouse series are custom constructed and very notably, they meet HOA compliance. These sheds can be heated and cooled which is a significant investment living in the Gulf Coast Area. The sheds also have a hurricane resistance structural concept - which will be essential in the next few months as hurricane season approaches.

"All of our plans start with the most ingenious building materials available on the market today," says Fred Genkin.

Titan Sunrooms, a major supplier of sunrooms in Pensacola, FL has entered the launch phase of the all-new "Blockhouse" shed collection. A primary component of the series is that it may be constructed in as little as 3

hours which prevents the need for building materials to be transported by trailer.

"The choices in building materials that you make now will have lasting consequences far into the future as your project ages over time and must weather the relentless beating of Mother Nature," Fred Genkin cautions.

Titan Sunrooms, located in Gulf Breeze, Florida, specializes in the manufacturing & installation of sunrooms, patio covers, and patio enclosure products, and screen rooms in Pensacola FL. For more information about Titan Sunrooms, call (850) 244-4474 or visit www.titansunrooms.com.
