Pack & Ship Business Center Creighton, a Fedex Pensacola FL service center, has announced that they now rank as a five star business on Facebook. This comes after a wealth of positive reviews have been provided by happy customers. The company is very proud of this achievement and grateful to their customers for their kind words of appreciation.

Thomas Armstrong from Pack & Ship Business Center Creighton says: "It is quite rare for a packing and shipping company to receive reviews. We operate so much behind the scenes that people often simply don't think about it. We are very grateful for our customers' kind words, therefore, and strive to do all we can to continue to deserve such a great reputation."

As shown on the company's website at http://www.pensacolashipping.com, they offer a wealth of specialized shipping services, including DHL and the U.S. Postal Service. They are authorized to offer Fedex shipping, and also a range of other shipping methods. They also have specialized services for things such as antiques, electronics, artworks, and bicycles. With each of their services, they guarantee high quality of work across the board.

This commitment to professionalism and customer service is also evident from the reviews that have been posted about the company on their Facebook page. Oren P., for instance, says: "Tommy and his team at his Creighton location has been very helpful and friendly to both my business and my family. The best thing about this business is the fact that you can easily get in there and out within seconds. Unlike the post office where it takes your whole lunch hour just to give them a package. I highly recommend them to anyone in the Pensacola area."

The company also offers standard shipping Pensacola FL services, which they treat with the same care and dedication as what they do their more professional and specialized shipping services. Thomas Armstrong continues: "It doesn't matter whether you want to send a letter to someone or a priceless antique, we will do all we can to get it there on time and in order. You can count on us to deliver."
