April 09, 2018 - PRESSADVANTAGE -

Seattle, WA law firm Bradley Johnson Attorneys, is proud to announce that Bradley Johnson has been selected to be one of America's Top 100 Criminal Defense Attorneys for 2018. Selection is by invitation only and is designed to identify the best general criminal and white-collar defense attorneys in the country. Candidates are carefully chosen by using a comprehensive qualitative comparative analysis based on a number of stringent criteria.

Alister Dabreo from Bradley Johnson Attorneys says: "Less than half a percent (0.5%) of all active attorneys in the country are selected for the honor of being part of the Top 100 Criminal Defense Attorneys. Needless to say, we are truly honored that Bradley Johnson has been recognized as being part of the list of the most exclusive and elite criminal defense attorneys in the country."

The criteria for selection that are considered for the award include the candidate's professional experience, significant case results, litigation experience, peer reputation, representative high stake matters, and community impact. Based on those, the criminal defense lawyer is ranked accordingly. Only the top 100 qualifying attorneys in each state will receive this honor and be chosen for membership.

Bradley Johnson being selected for this award showcases his dedication to excellence and to driving positive outcomes for his clients. This is also evident from the many positive reviews that his clients have provided. Hamza M., for instance, says: "When I first came to your office I was ready to give up and let the State have its way with me. But when you have someone from Bradley Johnson Attorneys on your side, that's not gonna happen."

Having been honored for being selected for America's Top 100 criminal defense attorneys this year, Bradley Johnson's firm aims to continue to drive forward its philosophy and mission so that they can continue to be deserving of the award. "The Seattle criminal lawyers and staff at Bradley Johnson Attorneys are committed to providing exceptional legal aid and unparalleled client service," says Alister Dabreo. "Communication, individualized attention, and first-rate legal knowledge are the keys to our shared success, and the pillars of our practice."
