June 17, 2015 - PRESSADVANTAGE -

Assessment Systems Corporation, (ASC,) occupying a space at Century Park Office, in Woodbury, MN, announces new employment opportunities.

Founded in 1979, ASC provides software and consulting services in the field of psychometrics, such as software that can perform complex data analysis to help experts determine the strength of test questions. ASC utilizes FastTest Web, one of the world's leading platforms for computerized adaptive testing.

ASC also plans to release their innovative data system forensics, SIFT: Software for Investigating Fraud in Testing, which helps test to find cheaters and intellectual property thieves.

ASC is looking for additional team members who have strong consultative sales skills that can drive and manage their growth. This is a great opportunity to join an organization on the cusp of expansion. If you are passionate about technology and K-12 or career education, ASC could be a perfect fit for you.

One open position is for an account manager / software sales associate. The primary duties of this position focus around growing ASC's client-base by performing market research, preparing for client inquiries, and cultivating client relationships.

Another open position is for a business development and marketing coordinator. The primary responsibility of this role will be to coordinate the business development and marketing efforts for the ASC brand, and product line. This position works closely with ASC's client services team with the goals of driving new business and effectively serving current client needs. The position can take a marketing slant or a business development slant.

Assessment Systems offers competitive compensation and benefits. As an employee, you will have access to cutting edge technologies in a fun, professional, and positive work environment.

Founded in 1980, JGM Properties works with over 300 tenants, including Assessment Systems Corporation to provide office, warehouse, and retail space for lease in Minnesota. JGM Properties owns and manages the Century Office Park office space, as well as 15 suburban Minneapolis warehouse, and office space properties.

ASC was impressed by the helpfulness of JGM staff in the search for a new office space and the subsequent move. We also appreciate the amenities at Century Office Park, including the convenient location, ample parking, workout room, and professional environment. Moreover, we were able to substantially reduce our rent expenses," says Nathan Thomson of ASC.
