San Diego, CA - A San Diego personal injury attorney recently explained what contingency fees are, and their advantages. Mr. Geruntino explains that some people do not seek the help of a personal injury lawyer because they believe they cannot afford one. He hopes that explaining contingency fees will let them know that there are ways to find representation even for those who do not have much money.

The recent post explains the purpose of a contingency fee arrangement and why such an agreement can be beneficial to both the client and the attorney. Mr. Geruntino further explains that lawyers who will not get paid unless they win a settlement are less likely to take frivolous lawsuits.

Brett Geruntino claims he regularly uses his blog at www.acclaimlaw.com to cover topics, such as contingency fees, that he feels are important to prospective clients and the public in general and hopes that by informing the public he will eventually have clients who are more aware of what they need and what to expect when they come to Acclaim Law Group.
