Express Healthcare, Provider of Nurse Jobs in Portland, OR, is Holding a Navigating Change Webinar

April 30, 2018

April 30, 2018 -
Portland, Ore. - Express Healthcare Professionals, a provider of nurse jobs in Portland, OR, will be presenting the webinar "Navigating Change in the Modern Workplace" featuring Monte Farrar. Viewers will be able to interact and ask questions to the experts during the webinar.

The training will discuss and analyze the concept of change in the workplace. Change is a common occurrence that many individuals do not respond well to; however, whether we are prepared for it or not, it happens. Examples of change in the workplace could be presented as buyouts, growth, decline, and more.

The webinar will help client and associates alike better understand the importance of change in the workplace and how to best turn it into growth and prosperity. Viewers will learn the importance that every employee has in a business and the importance of trust between coworkers. Lastly, viewers will be able to hear directly from Monte Farrar.

Express Healthcare Managing Partner Julie Tate stated, ?Being able to provide great development opportunities such as this webinar is one of the many reasons that our clients appreciate working with us.?

Monte Farrar is the Director of Human Resources Training at Express and has been working in human resources for more than 26 years. Farrar has an MBA, SPHR-SCP, SPHR, and PHRca that all show his excellence in human resourcing. He has worked with multiple companies that have helped him hone his professional skills such regarding leadership and consultation. Farrar is well equipped in explaining the method of change, communication, staffing, and much more.

The "Navigating Change in the Modern Workplace" webinar will take place Thursday, May 10, 2018, from 10:30 to 11:30 a.m. (CDT). Viewers can interact and ask questions to Farrar and other experts. The provider of CNA jobs in Portland, OR is looking forward to this webinar.

?We?re anticipating this webinar to be an amazing learning experience for our staff and associates. From management to employees, navigating change in this day and age should be a prime concern for any organization," said Tate.
