

The Tour de USA Announces Rendezvous Point for Day 8 of Its World Record Rally Attempt for Prostate Cancer Awareness

May 21, 2018

May 21, 2018 - PRESSADVANTAGE -

MANHATTAN BEACH CALIFORNIA ? Manhattan Beach-based Cancer Journeys Foundation today announced the mid-day rendezvous point for Day 8 (August 22, 2018) of the 2018 Tour de USA®. Drivers participating in Day 8 can link up with the Tour in the morning at Talladega Speedway in Alabama or at the mid-point rendezvous at Deals Gap Motorcycle Resort at the top of the Tail of the Dragon.

Day 8 participants will then drive the 318 curves of the fabled Tail of the Dragon and finish in Pigeon Fork.

Participants can track the Tour de USA's location in real time on the Internet at TourdeUSALive.

The Tour de USA® is be a dual World Record attempt for the longest charity road rally and the most charity ride participants. The rally begins on August 15, 2018 and ends back in Los Angeles after traveling through 21 states and driving 9,341 miles in 32 days.

Said Hess, "Prostate cancer claims the lives of almost 28,000 American men every year because these men don't know they have the disease in time for effective treatment. The United States Protective Services Task Forces is once again recommending men have a PSA test. The mission of the 2018 Tour de USA® is to make certain men know about the prostate cancer risk (one in seven men will have the disease) and about the Foundation's simple prostate cancer risk awareness tool, ProstateTracker App."

"We're really excited about the Tour de USA®," said Hess. "It's going to be a fantastic motoring adventure. We'll be driving some great roads and helping to end prostate cancer at the same time. Driver registration is open at <https://tourdeusa.events/2018-driver-registration/> and company sponsorships available."

About the Cancer Journeys Foundation

"A cancer diagnosis and treatment. At the end of their medical treatment, cancer survivors are pretty much on their own. Survivors need the tools to develop survivorship plans they can follow going forward. Nutrition and exercise are key elements in quality of life and that's why this conference is so important," according to Hess.

The Cancer Journeys Foundation provides a comprehensive digital information center for cancer survivors, their families, and caregivers. The Foundation is developing a nationwide network of walking programs to support America's 15 million cancer survivors on their journeys.
