

Panama City Disaster Response Team Host Plumber Appreciation Breakfast

May 25, 2018

May 25, 2018 -

Panama City, Fla.- Earlier this month, the Disaster Response Team, a leading Panama City damage restoration company, took upon an opportunity to show local plumber?s appreciation. This Plumber Appreciation Breakfast was an open event for all community plumbers as they got to come out and enjoy a free Chick-Fil-A breakfast and learn about DRT referral program. Plumbers are a huge help to the community especially during the stormy spring season when repairs in homes are at it?s highest.

"Giving back to the community in any type of way is always a very rewarding process," Disaster Response Team owner Mark Broersma said. "We wanted to show all our local plumbers that they are appreciated in this city."

During the Plumber Appreciation Breakfast, the Panama City emergency response team had the plumbers enter in a drawing to win prizes. One of the prizes they gave out was over $200 worth of tools. Plumbers contribute so much to DRT?s business as they help out to help the community when disaster strikes.

"We are so grateful to work with some wonderful plumbers in our area," Mike said. "We just wanted to say

Thank You for all you do!"

Disaster Response Team is a full service restoration company that helps residential and commercial customers restore their properties after disasters of all kinds. If a plumber is interested in working with them, they encourage to reach out to their organization.
