

Sarasota Contractor Specializing in Custom Home Building Launches Website

June 11, 2018

June 11, 2018 -
Florida licensed constructor Michael Crowe has taken his custom-designed home building skills public with the launch of his new website, Crowe-Building.com

Michael Crowe is a Licensed General Contractor in Florida, Georgia and Massachusetts. Crowe Buidling is a custom home builder in Sarasota FL. With more than a quarter-century of experience in construction and home building, Mr. Crowe specializes in building custom homes. No matter where it?s located, Mr. Crowe pays very close attention to the details of a project. He takes much pride in his builds and makes sure the customer is very satisfied with the quality of the work.

Along with highlighting his expertise in Custom Home Building, the website showcases Crowe?s other passion in designing and building custom wine cellars. Crowe states ?While I primarily am a home builder and a contractor, I really enjoy designing and building custom wine cellars.?

Crowe can design and build custom homes in Florida, Massachusetts and Georgia according to the site. Crowe is an active participant in the designing and building of custom homes. Crowe adds, ?while many

contractors show up to the job site once in a while to check the work, I take an active part in the building. This not only ensures that the projects is well done and the quality excellent, but keeping the progress of the project and timeline in order.?

The company has constructed custom built homes and has recently relocated to Sarasota, Florida. As a local Sarasota general contractor Crowe adds, ?I have built custom homes on Cape Cod and understand the importance of quality building techniques in areas that face high winds.?

A Massachusetts native, Crowe cut his construction teeth in the carpentry program at Cape Cod Tech. It was there that he learned cabinetry, home construction and home remodeling. In 1995 he struck out on his own, growing his skills from small remodeling jobs to large additions, custom homes and land development. He has relocated to Sarasota, Florida and builds custom homes locally in Florida as well as Massachusetts.

Along with custom homes and wine cellars, Crowe has built a base of appreciative customers who praise his craftsmanship, range of skills, efficiency and professionalism. Crowe?s portfolio reflects the quality of his work and the quality of his character.

One customer was impressed with Crowe?s attention to detail and abilities, and described him as personable and trustworthy. Crowe delivered a computer-generated design, worked with another builder and finished the job as expected.
