Vero Beach, FL: Licensed real estate agent Karen Mathers continues to step up her game as a Realtor® with her new website, verobeach55plushomesforsale.com. Back in April, Karen announced the launch of the new website to make it easier for prospective clients to find their retirement homes in the small Florida city. The website particularly serves as a valuable source for 55 plus new homes for sale in Vero Beach, containing active home listings and articles that cover just about everything that clients need to know about the Vero Beach real estate.

The Blog section of VeroBeach55PlusHomesforSale.com offers a broad range of articles about the benefits of living in the retirement communities of Vero Beach, especially for adults who are already in their golden years. It also contains articles about real estate in general, educating homebuyers and sellers about the ins and outs of the business. Some of these articles shed light on the importance of getting a trusted real estate agent and highlight the benefits of living in an active adult community.

Previously named as one of "America's Top 10 Happiest Seaside Towns," Vero Beach boasts of its warm, sunny weather and amenities that make it a perfect place for people who are already planning to retire. This city is the seat of the Indian River County and is a true tropical paradise, with residents taking advantage of the boating, kayaking, beaching and fishing activities available in the area.

Clubhouses in Vero Beach gated communities are well-equipped with amenities like swimming pools, yoga centers and gyms that senior residents can use for their cardio and strength trainings. Vero Beach also offers plenty of walking trails, tennis courts and golf courses, as well as world-class medical centers and hospitals, outlet malls, boutiques and restaurants, making life convenient for everyone living here. As for the cost of living in the area, Karen says, "Florida has no state income tax. And within Indian River County, sales tax is only 7%. Talk about affordable living."

Aside from insightful articles and information about real estate, Karen's website also offers links to their current listings in Vero Beach. "My passion is working with you to find your dream home for your retirement. Whether you are selling your home straight away up north to move here to the fun in the sun or you are first going to buy a home here at these awesome prices while transitioning, perhaps enjoying being snowbirds for the first few years? I am here for you. I got it," says Karen.

Karen's goal as a Realtor® is to be able to serve her clients in the most professional and honest way she can, and testimonials of her previous clients attest to how great she is in her craft. One of them, Pat Franks, said, "Karen Mathers was an excellent Realtor for our recent move to Vero Beach. We took four months of her time while she patiently showed us the whole area with a variety of properties. She was so responsive with all concerns. We've made about 13 previous moves and her expertise made for a very positive experience."
