June 18, 2018 - PRESSADVANTAGE -

San Antonio, TX: The Better Business Bureau (BBB) recently gave Real Estate Muses an A+ rating for the excellent San Antonio Military Relocation services it offers its clients. BBB was founded in 1912 and focuses on advancing marketplace trust by rating companies based on their transparent business practices and other factors. Owned by top San Antonio REALTOR® Melissa Wiggins, Real Estate Muses has been in the business for eight years and has been BBB-accredited since April 2015.

Since its establishment, Real Estate Muses has been committed to helping military members find the right home when relocating to bases in and around San Antonio, offering them relocation assistance packages that help alleviate the amount of stress and work it usually takes to pack, plan and relocate.

Just recently, Real Estate Muses announced on its website that as of June 3, 2018, its BBB rating stands at A+, which means that many of their previous clients were happy with the services that the company had rendered to them and their families.

The BBB website states that while the ratings they give are not guaranteed as to accuracy, they are reliable. BBB Business Profiles aim to assist potential customers in exercising their own best judgment based on the ratings given to the companies they plan to do business with. These ratings cover a three-year reporting period, and while they are subject to change, Real Estate Muses' current A+ rating says a lot about its performance as a real estate company in recent years, especially when it comes to serving its clients.

Real Estate Muses owner Melissa Wiggans always puts her best foot forward when representing her clients. Growing up in a military family, she learned at a very young age how hard it is for military members to move their families in tow across the country when the relocation time comes. It was because of her personal experience as a daughter of a military man that she decided to offer expert assistance to relocating military members when she established her own real estate company.

Real Estate Muses' website offers a wealth of resources for military members who are relocating to San Antonio. The website allows potential clients to search homes by bedroom, style, property type and their proximity to military bases, making it easier for them to find a home that suits the needs of their families. Just recently, the Real Estate Muses website made PCS (Permanent Change of Station) moves less of a chore for military members when it made available the PCS Checklist, which breaks down all their planning, packing and relocating tasks into weekly to-do checklists.

Moreno Michael, a previous client, wrote in his review, "I just relocated to San Antonio and utilized Melissa Wiggans as my agent to assist me in locating a home in a specific area and within my budget. She exceeded all my expectations adjusting to my ever changing requirements. Once I settled on a home, that's when I learned what an expert Melissa is in her field!"
