Pensacola, Fla. -- Fourth of July is coming up. Everyone is getting ready to celebrate. A Pensacola florist prepares too. KellyCo, one of the best flower shops in Pensacola, is known for their packages and specials during the holidays. This Independence Day is no different.

They have different flower sets with different color schemes! Most of these "Fourth of July" specials have color schemes related around red, white, or blue! One of their sets, America The Beautiful, is a perfect example of Independence Day. This set comes with red roses and carnations, white Asiatic lilies and alstroemeria, and blue static. To top it off, it has an American Flag put in.

"With the big holiday coming up, we are preparing for the volume of customers," said Michael Paris, owner of KellyCo. "Remember to order ahead so it is ready right when your picnic starts."

With the flowers, KellyCo offers other deals that include tasty snacks and refreshing drinks. These Pensacola gift baskets are perfect while watching some fireworks this coming holiday.
