July 06, 2018 - PRESSADVANTAGE -

Dennis Smith, owner of San Diego Homes 4U, has been working as a Realtor for 24 years, serving the North San Diego communities of Rancho Santa Fe, Solana Beach, Del Mar, Encinitas, Leucadia, Cardiff-by-the-Sea, Olivenhain, Carlsbad, La Costa, Aviara, Oceanside, Rancho Del Oro, Camp Pendleton, Vista, San Marcos, Escondido, and San Diego. Meanwhile, his wife and partner has also been a REALTOR® for 20 years now. His focus has been on residential buyers, sellers and small investors along with 55+ senior homes. He has now announced with pride that he has been ranked as a Five Star Realtor for Outstanding Customer Service for 10 consecutive years, from 2008 to 2018, by a countywide poll by the San Diego Magazine.

Furthermore, from 2015 to 2018, his business achieved an amazing 82% repeat and referral. Smith says, "You don't get that from door knocking or cold calling. You have to give people the best possible experience in every transaction... before, during and after. Many testimonials are available on the company's websites at www.SanDiegoHomes4u.com, CarlsbadHomesForSaleNow.com and SanDiegoProbateServices.com

Dennis Smith says: "I am a REALTOR® through and through, it's in my blood. For 24 years now, I have

aimed to help people sell homes and also find the homes of their dreams, whether for seniors, first-time buyers or experienced investors or any other type of buyer or seller. I am so proud of the fact that I have been ranked five stars for 10 years in a row now, and really want to thank my clients for their continued support, and I look forward to working with many more people."

Over the past 24 years, San Diego Homes 4U has moved with the times, using new and emerging technology to help people find their dream property. As such, they offer a comprehensive search for homes that are featured on their website along with a convenient phone app when driving around. This allows people to look for the properties they like even before they contact the REALTOR®. The search site and app feature 100% of the homes in the MLS and it is current as of a few minutes from when the listing agent hits save on the listing update. It also enables people to highlight certain specific things they are looking for in order to narrow down their choices.

"To make things easier, I have included instant links to 55+ senior homes, new construction, ocean view homes, and bank owned homes," adds Dennis Smith. "However, people can also search specifically for an area, a type of home, a price range, and many other things. Naturally, they can also simply contact me to discuss their requirements and fine-tune their searches."

Dennis Smith has also posted many great articles to help people in their search for their perfect home. These are all available on his websites.
