

A Cleaning Services Company in Pensacola Updates Their Website

July 05, 2018

July 05, 2018 - PRESSADVANTAGE -

Pensacola, Fla. - Doodlebuggers, a provider of cleaning services in Pensacola, is updating their main website. Doodlebuggers wanted a new change in the look, style, and accessibility. They are very excited to release their updated website; it will be a great benefit to all their clients.

The design of the website has been finished. This new design is very slick and sharp and the color scheme of the site gives a more localized feeling of the Pensacola area. Doodlebuggers has been a local Pensacola business since 1998. They understand how residential and commercial homes are built in the Pensacola area and want their website to reflect that.

"As a customer, you are entitled to be treated exactly as we want to be treated when we are someone else's customer!" says a Doodlebuggers worker.

Since their design is finished, Doodlebuggers is working on the style of the website. They have the website concentrate more on the services. With the services highlighted, they want their clients to know they have multiple locations. Their locations include Pensacola, Destin/Ft. Walton, and Alabama which they show on

their website.

Going along with style, they made their website easier and accessible. All their locations are listed as well as their services. This makes it very easy for new potential clients to get the help they need instantly. If an individual needs air duct cleaning in Pensacola, they can click on the desired block. This will take them to a page dedicated to their air duct services. It will be detailed to contain services, prices, testimonials, and more.

Doodlebuggers wants their new website to benefit their customers and reflect their locality. They want Pensacola citizens to know that they have experience in their services and also experience in their surrounding area as well. Doodlebuggers also want their customers to be able to navigate through their website with ease.

For more information regarding Doodlebuggers Service Network, call (850) 477-1151. Their new website is still being developed, but visit their current one at <https://hugyourhome.com>.
