

Perfect Hair Focus Launches Argan Oil Based Hair Shampoo and Conditioner Set on Amazon

July 12, 2018

July 12, 2018 - PRESSADVANTAGE -

Perfect Hair Focus, the Irwindale, California based company is happy to announce the launch of their new Argan Oil based Hair Shampoo and Conditioner set exclusively on Amazon. Enriched with the goodness of natural ingredients like coconut oil, hemp oil, and keratin, this natural shampoo and conditioner set is designed to reverse the signs of damaged hair and leave them strong and nourished.

Allen Farrar, spokesperson at Perfect Hair Focus says, "By focusing on using essential oils, we have created a formula that can treat dry and weak hair without using harmful chemicals and additives that can cause a lot of hair damage in the long run."

Research has shown that hair loss is an extremely common condition that affects over 50% of the male population who are above the age of 50. About 40% of the people suffering from hair loss happen to be women. Perfect Hair Focus's shampoo with essential oils has been specially formulated to reverse the problems for hair loss by promoting new hair growth with the help of essential oils.

The primary ingredient of this shampoo is argan oil which is often called liquid gold due to its remarkable healing properties. Derived from the argan fruit, it has high levels of vitamin E which is an essential vitamin that helps in making one's hair grow long. It contains omega 3 and 9 fatty acids that nourish the hair right from the hair follicles thus providing deep nourishment. Learn more about Perfect Hair Focus on their official website - <http://perfecthair.club/>.

This argan oil shampoo and conditioner set is already receiving a great response with one buyer stating, "I love the fact that I feel my scalp tingle as the product is working. It smells really good and the scent lasts long. my hair is really soft and manageable." Those interested in Perfect Hair Focus's latest product launch can learn more by visiting the company online or reading reviews of the products via their Amazon storefront.
