July 20, 2018 - PRESSADVANTAGE -

San Antonio TX: Top San Antonio real estate agent Melissa Wiggans' relocation services to military members have just gotten better. Her real estate company, Real Estate Muses, now makes available free PCS (Permanent Change of Station) checklists to military members, making their PCS move to San Antonio less of a chore for them and their families.

In recent months, Real Estate Muses has made significant strides to improve its military relocation services. Last year, Melissa launched a new website dedicated to San Antonio military relocations, [sanantoniomilitaryrelocation.com](http://sanantoniomilitaryrelocation.com), providing an easier means for military members to touch base with her when they need help with their relocations. This website also offers a wealth of information about PCS, including tips for making a move and finding a home in San Antonio.

The PCS checklist primarily aims to help military members take charge of their PCS move. This checklist includes all the tasks that a military member needs to accomplish before, during and after his PCS move, breaking down his tasks into weekly to-do lists.

Since Melissa grew up in a military family herself, she understands how stressful a military relocation can be. "I have always wanted to serve the military in a big way since I appreciate so much all the military has done for my family through my dad and his friends in the military. This is what led me eventually on my path to help military families relocate to San Antonio," she said.

With the provision of the new PCS checklist, military members can now have a head start on what to expect and what they need to know as they relocate to San Antonio. The goal of this checklist is to allow military members to get started with their preparations in an organized manner as soon as they receive their relocation orders, which usually happens months before their report date to their new command.

The PCS checklist is now available on Real Estate Muses' website for free. Military members who are relocating to San Antonio can visit the website to download this checklist and start finding a home near Fort Sam Houston TX or any of the military posts operated by the U.S. Army in San Antonio.

Melissa's commitment to assisting military members and their families with their relocations is unparalleled in San Antonio. A happy client wrote in her review, "Melissa is extremely helpful with a great personality! When I was looking for a house in San Antonio, she paid close attention to what I wanted and took me to look at as many houses as I wanted each day. She never got annoyed or frustrated with how picky I was. Also, when it was time for me to move I called Melissa again, and again she exceeded my expectations in every way. I recommend Melissa to everyone entering or leaving the greater San Antonio area."
