Pensacola, Fla - A Pensacola florist, KellyCo Flowers & Gifts, has an upcoming occasion. This occasion is called "Make Someone Smile Week". This special week, starting on the 28th is dedicated to making someone smile. They implore others to be a blessing to someone else; their only goal is to bring joy and happiness to as many people as they can.

KellyCo is highlighting some of their best sellers. The "You Make Me Smile" bouquets are beautifully designed and delivered in a food safe mug which can be used for years. This nice smiling mug holds a variety of flowers. The flowers include light yellow roses, yellow spray roses, green carnations, and more.

"Our flowers are meant to make someone smile and laugh," said Michael Paris, owner of KellyCo. "We want to make a brighter Pensacola."

KellyCo will be highlighting and pushing this occasion for the whole week; these Pensacola flowers can make anyone show their pearly white teeth. They can be hand delivered to make a great surprise.
