The Law Offices Of Jerry J. Trevino, based in Corpus Christi, TX, is proud to announce that Jerry Trevino has entered his 26th year of practice. Over more than a quarter of a century, he has ensured that taking care of clients is his top priority. This has earned him a solid reputation of being the best personal injury lawyer in the area.

Jerry Trevino himself says: "It gives me pride and satisfaction to do what I have been doing, especially when it comes to helping people. If you have been injured in an accident and need help in getting compensation, contact us today. We are committed to helping people who have been injured through the negligence and wrongdoing of others. We handle a wide range of personal injury claims. We will be happy to represent you and offer the best service in Southern Texas."

The Corpus Christi personal injury lawyer is, in fact, so popular that many refer to him as 'Mr. Personal Injury Lawyer'. He ensures that each of his clients receives a top rated service in any way possible. Jerry Trevino continues: "Once you get in touch with us, you become our priority. You can come into our office if you are able, but we can also go to you. After you ask us to represent you, we will begin to look at your case

in-depth."

The law firm will represent its clients in any situation and under any circumstances. While they will always attempt to settle outside of court, they are happy to represent those cases that eventually go to trial and they have an excellent track record in obtaining verdicts that are in favor of their clients. This commitment to excellence has earned the law firm an outstanding reputation, including on AVVO and on Google, where Alexander F., for instance, says: "Jerry was there with me every step of the way. Hands down the best personal injury attorney in Corpus Christi. You should feel privileged to be able to work with this Corpus Christi injury attorney."

The Law Offices of Jerry J. Trevino focuses on a number of specific practice areas and they ensure that it is easier than ever for prospective clients to find them. In fact, they even offer a free, no obligation consultation during which people can first discover whether they have a case at all and, secondly, if they do have a case, find out what Jerry Trevino can do for them. The law firm's practice areas include auto accidents, premises liability, work related injuries, wrongful death claims, product liability claims, construction accidents, truck accidents, and car wrecks. In all cases, the firm is incredibly passionate about every case it takes on, ensuring that clients receive the best representation in court - if no settlement can be reached.

"We are committed to making a positive difference in the lives of our clients," continues Jerry Trevino. "If retained as your counsel, we will seek maximum compensation for your injuries, including medical bills, pain and suffering, lost wages and other forms of available relief."

The law firm will be happy to consider any case in which someone sustained an injury, regardless of the seriousness of the injury or how it occurred. Anyone who has been a victim of an accident is encouraged to firstly ensure that everybody who was involved is safe and attended to by medical professionals if needed. After this, it is vital to gather as much information as possible, including, where possible, details of witnesses and others who were involved. Finally, before contacting a law firm, people should contact their insurance company where applicable. That said, they should not agree to any kind of settlement or sign any paperwork until they have spoken with their legal counsel. Once those things have been completed, it will be time to seek legal assistance, particularly if the accident was due to the negligence of a third party. Jerry Trevino will be happy to speak to anyone in this situation to ensure that they make the right decisions.

The Law Offices of Jerry J. Trevino offer completely free consultations from either of their two offices. Additionally, if a prospective client is still in the hospital and therefore unable to visit any of the two locations, a representative will be happy to come to the hospital or even to the client's home. With that, people are assured that they get the best auto accident attorney Corpus Christi has to offer. They may want to contact The Law Offices of Jerry J. Trevino directly or through the firm's website as soon as possible to get the ball rolling.
