July 01, 2015 - PRESSADVANTAGE -

Freddie and Sebbie, a business in Las Vegas, NV are proud to announce that their car seat organizer has received over 100 positive reviews on Amazon. This makes it the highest rated product of its kind on the platform. To celebrate this, Freddie and Sebbie have released it with a 29% (\$10) discount for a limited time only and while stocks last.

"We have received so many positive reviews, it is overwhelming", says Neil Speight from Freddie and Sebbie. "As a way to say thank you, we have reduced the price of our car seat organizer for a limited time only, thereby allowing more people to get their hands on this item."

Indeed, the car seat organizer reviews have been highly positive, praising not just the product, but the company as well. "This is a well made small organizer", says Ali Julia. "It is meant to hang on the car's headrest. It can be mounted facing forward or backwards and in my video you can see it mounted both ways."

Most of the reviews also discuss how happy they are with the numerous compartments they have to place things in. It is truly a luxury item that can benefit not just people with children who want to have things like toys, snacks and drinks with them, but adults as well. Many people will have things such as a notebook, their cellphone and even their tablet in the car seat organizer. It helps keep everything in one place, protected from scratches and other damage, and ensures it is very easy to reach.

In another car seat organizer review left by D. Fowler, who is one of Amazon's Top 10 Reviewers, it was noted that "I'm a fan of Freddie & Sebbie products and have several of them. All of them are high quality items that I wouldn't hesitate to recommend or give as gifts. One of my all-time favorites was the blanket, but this organizer is perfect for the clutter bug. This one isn't just targeted toward the infant or toddler, but rather anyone who happens to get stuck in the back seat. If you have a 'tween or teen, they can even tuck a full-sized tablet in the back pocket. If you haven't tried out a Freddie & Sebbie product, you just don't know how good they are."

Freddie and Sebbie are proud to be so well respected by their customers. They intend to continue to deliver high quality, luxury, durable and most of all functional products. As a way to say thanks to their loyal customers, they have offered the car seat organizer with a \$10 discount, but stocks are selling very quickly, so customers are encouraged to get theirs quickly.
