August 15, 2018 -
South East Spas is proud to announce that since the opening of their hot tub showroom in Fort Myers, FL, they are now able to provide the company's entire line of Master Spas hot tubs. This includes three new additions: Clarity Spas by Master Spas, Twilight Series by Master Spas, and MP Legend Swim Spas. The company had previously issued a press release to announce the opening of the hot tub showroom in Fort Myers.

Steve Sharp from South East Spas says: "Since announcing the opening of our hot tub showroom in Fort Myers, we have been able to expand our product line available there so that it is now completely available. Anyone looking for a hot tub or spa is encouraged to visit our showroom. A representative from our company will be more than happy to show the various features and accessories that come with each & every hot tub model."

South East Spas is a business with many years of experience. They opened their doors over a decade ago and have set themselves apart through their commitment to customer service. Now that they have opened their showroom in Fort Myers, they are able to cover almost all of the Southwest of Florida, including Collier,

Charlotte, and Lee counties. They also pride themselves on offering the highest quality products at the most affordable prices with the best possible service.

The company's main product line, as shown on their website at https://southeastspas.com/hot-tubs-fort-myers is hot tubs and Master Spas in particular. These are spas that have been designed with wellness, recreation, and relaxation in mind. They offer a line of family hot tubs that are all completely unique and come with a variety of features to ensure that everyone is able to find the right tub for them. In addition, they offer a variety of swim spas as well, which are also of the Master Spas brand. Steve Sharp continues: "If you'd like to make swimming in the privacy of your own backyard part of your daily routine, a Master Spas swim spa is the right fit for you."

Additionally, the showroom is now home to the Big Green Egg, designed for outdoor living. A full Big Green Egg selection of products is available, including all necessary accessories for a cookout. It is one of the most versatile grills around and has been observed to turn amateur cooks into master chefs. Meanwhile, across Florida, there has been a significant increase in interest in outdoor kitchens. According to Steve Sharp: "The addition of an outdoor kitchen can add a whole new realm to your backyard living area. Our backyard kitchens can be custom made to fit your needs with outdoor refrigerators, storage areas, sinks and more. Multiple kitchen brands are available to accommodate all areas."

Furthermore, for those with sufficient space, South East Spas also offers a range of above ground pools, including the Doughboy pool. Now carrying a variety of products including hot tubs, swim spas, grills, outdoor kitchens, and above ground pools. These are all available in their Ft. Myers showroom and also through their website. Customers can order all their necessary parts, accessories, and chemicals online and have them delivered directly to their home address.

The company has built a strong reputation for offering only premier swim spas and hot tubs in Fort Myers. They are one of the most highly rated companies of their kind in Fort Myers, having received a large number of five-star Google reviews. Kenny M., for instance, says on the company's Google Maps page in Fort Myers: https://goo.gl/maps/eLEE3v97Bm62: "I had an enjoyable experience with the guys at this location, they were able to answer my questions about the different hot tubs and how they will benefit me differently. I have experienced sports-related injuries in the past and the manager Steve was able to help me find a tub that works perfectly for my situation. I couldn't have asked for anything else. Thank you, Steve and South East Spas for all the help."

The owners of South East Spas have indicated that they are very glad to have been able to expand into the Fort Myers area. The family-owned business first started some 10 years ago, but the team has over 40 years of combined experience in the industry. They know hot tubs, spas, and outdoor living and want to empower people to enjoy these as much as possible. To ensure that their customers get the best possible service, the

company is also open seven days a week, with every customer receiving a personalized service.
