San Antonio, TX: Top San Antonio TX real estate agent Melissa Wiggans has been selected among America's Top 100 Real Estate Agents for 2018. Selection to the America's Top 100 Real Estate Agents is by invitation only and is reserved to identify the best and most respected agents and brokers in America.

The candidates are chosen through a process that involves a thorough assessment of their total yearly sales volume, notable above market value sales, luxury home sales, efficiency rating for closing sales, lifetime professional experience, client satisfaction ratings and notable recognitions.

Based on the abovementioned criteria, a rating for each real estate professional is established, indicating their effectiveness in closing high-value sales above market value in comparison to other real estate professionals in their region. We live in another state, and with her help, it was like we were right there. Melissa had extremely timely communication and was very knowledgeable about the market to help us not only price our house right, but get it sold quickly. She helped us out with countless favors since we live out of state, like helping to stage the house for showings, and also help ready the house for inspections.
