June 26, 2015 - PRESSADVANTAGE -

Eve Hansen Beauty, a health and beauty company in Sarasota, FL, have recently released their popular tea tree oil via Amazon in a larger, 4 oz bottle. Most other similar products come in just 1 or 2 oz. The premium ingredients remain unchanged and the bottle still comes with its easy to use glass dropper. To celebrate, the product is currently available for just \$23.95 instead of its usual \$49.90, a saving of 52%. However, this is for a limited time only and while stocks last.

"People have been loving our multifunctional tea tree oil for some time now", says Rose Hansen from Eve Hansen Beauty. "Many of our customers are returning customers, who would purchase a new bottle as soon as the other started to run out. Hence, we felt that they may benefit from a bottle with a larger content. As a way to say thank you and to encourage new customers to our product, we have also released it at a 52% discount."

The product is of pharmaceutical grade, as well as being 100% natural and pure. It is also guaranteed to work and those who do not see the results will be given their money back. Tea tree is one of the world's most popular and versatile oils, and Eve Hansen Beauty has been able to harness all its amazing properties in one

oil bottle. The oil is of the highest quality and has not been diluted at all. Indeed, it does not contain any fillers, alcohol or other additives.

Customers who have used the oil in the past have been incredibly positive in their reviews. "I've bought tea tree oil from other companies including Now Foods and was a bit hesitant about the purity of this one", says one Amazon customer. "I'm happy to say that this is very good and as pure as others I've used. The inclusion of a dropper is a considerate plus and greatly appreciated. Really good bargain for the money. Buy one today!"

Tea tree oil has numerous health benefits. Most of these, as well as tips on how to use the oil, have been listed on the Eve Hansen storefront at Amazon.com. It is commonly used in the treatment of acne, dandruff, skin tags, toenail fungus, cold sores, yeast infections, ringworm, lice and more. Furthermore, it can be used to make homemade, natural cleaning products, as an antiseptic, for homemade cosmetics, as a relaxing bath oil, a cleansing and purifying tonic and more.

Tea tree, which is native to Australia, has been used by Aboriginals for thousands of years. They brewed tea out of it, hence the name, as well as using it for medicinal purposes. Thanks to Eve Hansen Beauty, anyone can now try it, at a reduced rate.
