

Provider of Pensacola, FL Sunrooms Suggests Converting Screened Lanais to a Sunroom Space

August 22, 2018

August 22, 2018 -

Pensacola, Fla. - Located in the Florida panhandle area, a local provider of Pensacola, FL sunrooms, has been on the cutting edge of innovation since the business first opened its doors. Titan Sunrooms is the premier provider of sunrooms, screen rooms, patio covers, and other outdoor living structures for homeowners in Gulf Breeze, Navarre, and the entire Florida Panhandle region.

The business has a positive reputation in the local area for their innovative products, professional installation services, and reasonable prices. Many of the residents in the local area have screen rooms, "Florida rooms," or screened in lanai's which are a popular addition that many enjoy during the hot summer months.

Unfortunately, the weather in the area can be unpredictable, especially during hurricane season. Titan Sunrooms recommends upgrading screen rooms in Pensacola, FL to a "sunroom space" that can be heated, cooled, and fully customized. This option is a more reliable, resilient, and dependable structure that can stand up to wind, rain, and cooler temperatures in the upcoming months.

Fred Genkin, owner of Titan Sunrooms stated, "It may be warm now, but the cool weather is right around the

corner. The time to plan is now."

The 2017 Hurricane season was the most expensive in US history, causing unprecedented amounts of damage. In addition to the design features a sunroom space provides, it also offers peace of mind during the upcoming hurricane season because the structure is safe, secure, and even temperature controlled. For more information regarding Sunroom upgrade options please visit https://www.titansunrooms.com or call (850) 916-7660 for details.
