

## **Adam Elements Introduces 45W Wall Charger Travel Adapter**

*August 31, 2018*

August 31, 2018 - PRESSADVANTAGE -

Adam Elements, focused on developing smart electronic products fully compatible with the world's most popular devices, announces the upcoming release of their 45W wall charger travel adapter. OMNIA P5 is a travel adapter that provides fast charging solutions for a wide range of electronic devices such as mobile phones, tablets, cameras, Nintendo Switch, laptops and more. The wall charger travel adapter features a USB-C PD 3.0 and USB-A output connectors.

OMNIA P5 can charge mobile devices in over 150 countries as it contains replaceable prongs that connect to US, UK, EU and AU power outlets. Its USB-C port delivers up to 45W output, and its USB-A delivers up to 12W output. OMNIA P5 can quick-charge an iPhone or Samsung providing users with optimum convenience. Its USB PD 3.0 standard, prevents high levels of heat to reach users devices and the device itself.

The compact OMNIA P5's sleek housing is designed for travel convenience and can be carried around in a bag, briefcase, backpack or carry-on. The fast travel adapter will be available in both deluxe black and pearl white housings on the Adam Elements store in November 2018. Its universal compatibility enables users to keep several devices charged wherever they go.

Adam Elements is a leading innovator of smart technology that provides high-quality products and apps for a more diversified, smart life. They develop smart products including accessories for Type-C devices and DJI drones, flash drives, hubs, charging stations and a 10W wireless charger.
