August 31, 2018 - PRESSADVANTAGE -

Registration has opened and seats are limited for The National Veterans Opportunity Coalition (TNVOC)'s 1st Inaugural National ShoeShine Connection Conference on September 10th, 2018 at the Hyatt Regency Indian Wells Resort and Spa, in Indian Wells, California.

"A conference catered to VBEs is especially important today," stated Jonathan Nimrod, President of TNVOC.

"Veteran-Owned businesses are not sure how to find capital and get funding, or know how to compete with the big companies. Some don't have any Past Performance. These are questions that every growing Veteran-owned business has today," he added.

"With informative panel sessions helping VBEs get the knowledge, training and business-savvy skills they need to grow their business, this is one event in 2018 that Veteran-Owned business owners should not miss,"

he emphasized.

Featuring the TNVOC Business Matchmaker, Veteran Business Enterprises (VBEs) will have the unique opportunity to have face to face meetings with buyers and procurement officers from leading corporations to discuss business and contracting opportunities, which can potentially give them a lead over their competition to secure corporate and Federal contracts.

The event will also feature enlightening and educational panel sessions presented by industry leaders, exhibitor booth displays, and conclude with the Veteran Impact Awards ceremony.

"If you're a VBE looking to learn what it takes to do business with major corporations and network with other Veteran-owned businesses, don't miss this game changing event," stated Ben Fatola, Vice President of TNVOC.

"The business matchmaker is one of our key focuses for this event, and will allow Veteran-owned businesses to showcase their offerings to potential buyers. The event will also serve as an excellent platform for networking, opening up the opportunity for building potential joint venture partnerships with fellow VBEs," he added.
