

Provider of Pensacola, Fl Sunrooms Shares Innovative Ideas for Blockhouse Shed Series

September 13, 2018

September 13, 2018 -
Pensacola, Fla. - The demand has skyrocketed for a new shed series provided by Titan Sunrooms, a local contractor specializing in Pensacola, Fl sunrooms. Titan Sunrooms, located in Gulf Breeze, Fl, specializes in the manufacturing and installation of sunrooms, screen rooms, patio covers, and patio enclosure products. Recently, a Blockhouse shed completed during September stood out among the other completed projects because it is going to be used as a home to a ceramic glass studio.

Among housing a glass studio, other sheds have recently been used in other facets of home life including things like art studios, home offices, and man caves. Sheds can be built at a fraction of what a home addition would cost, while still being completely customizable. This specific model of Blockhouse is fully insulated and air-conditioned with windows to provide natural light and privacy.

Owner of Titan Sunrooms, Fred Genkin, stated, "We love seeing people use the Blockhouse Shed series and make it their own. We have seen some pretty astounding transformations in these sheds at a fraction of what a standard household addition would cost."

While located in the Gulf Breeze area, Titan Sunrooms has been in the contracting business for over 20 years. In an effort to consistently provide their customer's with the most up-to-date options for home renovation and Pensacola, Fl screen rooms, the Blockhouse Shed series is a testament to the companies paid attention to innovation.
