September 19, 2018 -

Water damage company madison Home Service Fix, have announced their new fire damage restoration service is designed for people who live in the Madison area that have been affected by a fire or smoke damage event. The service expands on Home Service Fix?s reputation as the leading company for all water damage restoration services in the region and surrounding counties.

Home Service Fix Ltd makes a point of standing out from the crowd when compared to other water damage companies and experts in the Madison area and works hard at its reputation as the best of the best.

The Home Service Fix team has been serving the area since 2017 with its water damage repairs. To date, it has served dozens of customers around Madison and has become recognized as one of the most reliable contractors in town and is also aiming at expanding into the Milwaukee area with this new service.

With many months of preparing technicians with the best equipment, Home Service Fix is now 100% operational and repairing fire damage restorations as well as other disaster services like water damage restorations with their high-quality services to anyone who suffers flood or fire damage.

Barbara Horton of Home Service Fix also said: ?We seek to help the people of Madison and Milwaukee to get their homes back in order quickly after suffering from fire, smoke and water damage.?

James Dickson, CEO of Home Service Fix says, ?Our company had always prided itself on using the best business practices to get the best results for the people in our city and customer satisfaction is always forefront with doing things the right way.?

After floods in recent months, Home Service Fix is working hard to help Wisconsin residents to get their homes back to how they were.
