

Custom Design Patches Now Available At Tactical Gear Junkie

October 01, 2018

October 01, 2018 - PRESSADVANTAGE -

Tactical Gear Junkie, a business specializing in tactical gear that is based in Winchester, KY, has announced that they now offer custom design patches. These patches are available in any size and there is no minimum order requirement. Because these patches can be customized, customers can specify the text to be written on them.

A spokesperson for the company says, "Tactical Gear Junkie designs and manufactures custom patches, emblems, name tapes and insignia using only high quality materials. Our customized items can be used for many different purposes including, businesses, clubs, organizations, government, police, fire, EMS, military, biker, fundraisers, team sports, karate and martial arts. Our new custom design patches are an expansion of our patches category."

Various designs are available for the new custom patches. These include a custom plate carrier text patch, custom graphic laser cut IR/reflective/non-reflective/glow-in-dark graphic, custom biker vest patch 4 piece set with banner tab and rocker, custom biker vest patch with top and bottom banner style tab and rocker, custom IR/reflective/non-reflective/glow-in-dark call sign, custom PVC Army Eagle crest plate carrier PVC flak patch,

custom PVC punisher skull plate carrier PVC flak patch, custom text patch fully embroidered OCP, USMC plate carrier flak patch, and custom reflective patches in different sizes.

The spokesperson says, "Aside from the new custom design patches, we have a wide range of patches. These can be categorized as stock patches, 3 piece patch sets, hat and patch sets, and patch accessories. For our latest patches, we have the reflective confederate rebel flag, the reflective Puerto Rico flag, and the reflective Mexico flag."

Stock patches available at Tactical Gear Junkie include the tactical rifleman USA flag, the 5th Airborne Special Forces Wings patch, the Rise and Rise Again Till Lambs Become Lions patch, the I Would Rather Be Kick'n Doors patch, the Sweden/USA flag, the Ireland flag, the Ireland/USA flag, the Army Ordnance Corps USA flag, the World's Okayest Morale Patch, the Keep America Great patch, the Pay Me patch, the Don't Poop On Me patch, the Blue Lives Matter patch, the Police patch, the Fire Department patch, the Nevada state flag, and the Oklahoma state flag.

Three piece patch sets include the patch set made up of the SWAT eagle, sheepdog, and one ass to risk; the patch set made up of the Three Percenter Gadsden American flag, Don't Tread On Me Snake, and 1776 patch; the patch set made up of the Pirate Jolly Roger, Dead Men Tell No Tales, and Jolly Roger; the patch set made up of Infidel in Arabic, 'Merica patch and 1776 patch; the patch set made up of I run Towards Gunfire, Sheepdog, and One Ass to Risk; and the patch set made up of Against All Enemies Foreign and Domestic, 'Merica with USA flag, and 1776 patch.

The hat with patch sets include the set made up of the Punisher 2x3 patch, Si Vis Pacem 1x3.75 patch, and Punisher 1x1 patch; the I Run Into Gunfire 2x3 patch, Sheepdog 1x3.75 patch, and the One Ass to Risk 1x1 patch; the EMT So Others May Live 2x3 patch, EMT 1x3.75 patch, and Medic Cross 1x1 patch; the Don't Tread On Me Gadsden Snake 2x3 patch, Don't Tread On Me Gadsden Snake 1x3.75 patch and 1776 1x1 patch.

Patch accessories include the ZZZBears Airman Sleeptight in Airman Battle Uniform, the Additional Page for Tactical Patch Book, the ZZZBears Coastie Sleeptight in Operational Dress Uniform, the ZZZBears Sgt. Sleeptight in Army Operational Camouflage Pattern, the ZZZBears Sgt. Sleeptight with Marine Woodland Green Camouflage, and a Loop Fastener.

Meanwhile, the major product offered by Tactical Gear Junkie are tactical survival gear. These products can be classified into a number of categories, such as bags and packs, accessories, body armor, belts, hydration, holsters, illumination, leg rigs, K-9 accessories, plate carriers, modular pouches, vests, slings, and weapons transport.

Tactical Gear Junkie is a small business specializing in quality tactical gear, while also offering their own line of patches and engraved gun parts that are made in-house in the U.S. They have huge commercial embroidery machines that they can use to produce custom patches based on customers' specs with little to no artwork fees. They have a staff of 20 highly trained people who can design, sell, produce and ship all of their custom products. State of the art computer design technology and proven techniques are used to ensure accurate compliance with specifications.

Those who need more information about the products and services offered by Tactical Gear Junkie can visit their company website or their social media pages on Facebook, Twitter and Instagram. Or people can call them by phone or email them.
