Water Damage Company In Milwaukee Wisconsin Launches New Service

September 21, 2018

September 21, 2018 - PRESSADVANTAGE -

Water damage restoration company, Home Service Fix Milwaukee are celebrating the launch of their new flood and water damaged buildings service in the Milwaukee Wisconsin.

Using a different approach to launching the new service, Home Service Fix Milwaukee, will be giving away free small gifts as well as quotes for the first two weeks, and this is expected to take place starting September 23, 2018.

Home Service Fix Milwaukee has decided to be a little more unique with the start of its new flood and water damaged buildings service.

Barbara Horton, Owner at Home Service Fix Ltd, says: "We are new in the Milwaukee area so wanted the launch of our new water damaged buildings services to be noticed because we wanted to provide a great service right from the start."

Home Service Fix has always made a point of standing out when compared to other water damage and

restoration specialists in the Milwaukee Wisconsin area. This launch celebration is just one of the many ways they can aim to get a foothold.

This is a great chance for Milwaukee Wisconsin residents to learn about a great new company that cares about its local people and the environment and supports a family oriented local business who employ from the local area as well.

Home Service Fix has been serving the Madison Wisconsin area since Nov 2017. To date, it has served dozens of customers and has become recognized as one of the most reliable water damage and fire damage restoration companies.

Barbara Horton also said: "While Home Service Fix may not be the biggest business with this kind of offering, local residents are choosing us because they heard from friends and family that we offer a great service at great price's."

When asked about the new water damaged service, Barbara Horton said: "We think it's going to be a winner with the great people of Milwaukee because we actually care and strive to make Milwaukee a better place to live".
