Recently launched on Amazon.com, Dojo Pro?s inaugural Brazilian Jiu-Jitsu gi is exceeding customer expectations for quality and value for money. This martial arts uniform has been professionally designed with input from experts in Brazilian Jiu-Jitsu and takes into consideration all the key aspects of a practical, durable and functional gi. Although only recently released, this uniform is already proving to be popular and is receiving outstanding feedback.

Dojo Pro customer and top-1000 Amazon Reviewer Susie Sunshine is keen to get her son involved in martial arts, and is impressed with this new Brazilian Jiu-Jitsu gi: ?My 4 year old runs around my house kicking and flipping and playing ninja so we knew we would be putting him in some sort of Martial Arts this summer. I was excited to get him a Gi and get him excited about it. The sizing chart was easy to use and I decided to get him one a little bigger so he could grow into it. When we got the Gi we were super excited to get it put on. My son loved it and continued to run, jump, flip, kick, roll, spin, and everything else.?

Ms. Sunshine appreciates the quality of the design and durability; key factors when selecting a gi for highly active children: ?Thankfully this is so well made with thick fabric and triple stitching that I don't have to worry

about him ruining or ripping it at all. If he gets it dirty I can toss it in the washer so I am comfortable with him playing in it some.?

Dojo Pro's Brazilian Jiu-Jitsu gi is made from a soft pearl weave that's thick, yet lightweight. The 100% cotton fabric will breathe easily and help to keep the body nice and cool during training and competitions. Also featuring tapered sleeves and leg cuffs, the competition will find it hard to clasp onto this uniform.

Available in black, white, and blue, (with pink coming soon) this gi also comes in five difference sizes to accommodate different heights. Now discounted to \$89, Dojo Pro also offers free shipping throughout the United States. With plenty of interest, the company expects this to be a top selling martial arts uniform in next to no time.
