September 25, 2018

September 25, 2018 -
Property owners can avoid issues with the different city ordinances with Snow Removal by hiring a reliable snow removal service.

Commercial Snow Removal Sherwood Park is one of those companies that services Sherwood Park, Edmonton and the metro area.

Their Team is trained to remove snow from your traffic areas in the most efficient and effective ways possible.

Dealing with snow is a big part of being an Edmontonian. Keeping the sidewalks free of snow and ice is critical in keeping Edmontonians moving safely and enjoying winter.

Edmonton city snow removal codes;

Property owners are responsible for clearing snow from every walk and driveway on or beside any vacant properties they own after snowfall stops. Failure to maintain walks could result in a $100 fine and cleanup

costs. Warnings are a courtesy and will not always be issued. Consider helping a neighbour, many citizens need help due to mobility or health issues and might not always ask for help. If planning a vacation, make arrangements for someone to shovel the sidewalk.

Rental property owners are responsible to ensure the sidewalks are cleared, either by themselves or by making arrangements with their tenants.

A reliable snow removal service is important for both home and business owners. That?s why Commercial Snow Removal Services offers timely, experienced snow removal services that will help the owner handle the winter weather with minimal stress and maximum safety. During the winter months, they stay on-call 24-hours a day, seven days a week to make sure everyone is fully operational at home or on the job.

Commercial Snow Removal Sherwood Park service offers fast, reliable, professional snow removal services all throughout the Greater Metro area.
