In an effort to better service the community, an online survey was recently conducted that was directed towards those residing in the south Florida area. The purpose of the survey was to determine customer satisfaction in their Miami lawn care services. The Billy Goat, a well known and trusted business in the area, has come out on top in staggering fashion.

The Landscape Industry has drastically expanded within the past year. Statistics from the October 2017 IBIS World Market Report show that the landscape services industry has annual revenues of $82 billion, annual growth of 4.8%, employs 1 million people, and represents 508,002 businesses. Keeping up to date with Customer Satisfaction surveys is a great way to keep track of local organizations that consumers can put their trust in.

Previous clients are often singing their praises after a Miami landscape design job is completed by the Billy Goat. Bruce Campbell, a customer within the past year stated, "The Billy Goat is a great company that provides both residential and commercial landscaping and lawn care services. They have reasonable prices and are very polite. Highly recommended."

The Billy Goat specializes in landscape construction and installation, and services standard residential properties, as well as multi-million dollar estates. The esteemed company also holds a high $2 million general liability insurance policy in an effort to completely safeguard their customers. The wide variety of services provided attributes to their upstanding reputation in the community as a reliable organization that the local area can put their trust in.
