September 24, 2018

September 24, 2018 - PRESSADVANTAGE -

Chiropractic practices looking for the latest information on local business marketing are invited to subscribe to the all-new Facebook Page by Chiropractor Corner. This new page promises to provide expert guidance and information on marketing a local practice on a regular basis.

This new Facebook Page was created specifically with the needs of small to medium chiropractor clinic owners in mind, and Chiropractor Corner welcomes input on which topics to explore.

Chris Swain, Founder of the Chiropractor Corner said: "We want chiropractors to know how easy it is to sell their services just by using social media marketing. We encourage chiropractors to follow our Facebook page as it is where we reveal new strategies, tricks, and services."

Chiropractor Corner's Media Solutions Specialist, David Disimile, goes on to say: "The aim of the new Facebook page is to show chiropractors how they can achieve greater results with less effort. The more feedback we can get, the better we can serve our audience.
