October 11, 2018 - PRESSADVANTAGE -

Specialty Engraving & Trophies, Inc., based in Suwanee, GA, has announced that they have supplied the trophies for the Special Olympics of Forsyth County for the 10th Annual Battle of the Bats Softball Invitational. Seth Eysmans, the company's Alpharetta store manager says, "This was an all-day event where Special Olympics softball teams from Georgia and surrounding states come to compete at the all-day invitational. 25 Teams from Georgia and South Carolina with over 350 athletes and over 500 cheering fans!"

Special Olympics is the world's biggest sports organization for people with physical and intellectual disabilities and has approximately 4.6 million athletes in 170 countries. Special Olympics in Forsyth County has around 500 athletes and about 150 of them, ages 8 to 80, participate in Georgia State Games. All of the proceeds are used for funding the Forsyth County Program. They offer year-round sports such as basketball, aquatics, bocce, bowling, floor hockey, equestrian, hockey, softball, and powerlifting.

The Atlanta award company wants to point out it is a good example of the kind of big orders that they can do. It demonstrates their claim that there is "no order too big".

That they excel in providing awards, such as acrylic awards in Atlanta, can be seen from the positive reviews they have received. For instance, Dirk H. gave them five stars and says, "I wanted a little extra something to give my parents for their 50th Anniversary so I dropped by Specialty Engraving. I mentioned that I wanted something unique and the staff were more than helpful to assist and make suggestions. I was so pleased with the customer service and their design department is superb! My parents were thrilled with the piece I gave them. Thank you!"

Shah M. also gave the company five stars and says, "Specialty Engraving did an amazing job with the request I had. I had a spoon and I wanted a custom logo engraved on the bottom of the handle and they did a spectacular job. They completed the engraving very quickly and the price was reasonable. Eunice did the engraving and she did a wonderful job. Ify coordinated the job very efficiently and was very friendly as well. A huge shoutout to Hugh as well, he was very friendly and is an all around cool and great guy. The whole experience was perfect. I would use them for any engraving services needed."

That Specialty Engraving has been operating for a long time and been offering excellent customer service for a long time is evidenced by its long time customers. A long time customer, Kathleen D.N., says, "We've done business with Specialty Engraving for over 10 years, and have always been more than satisfied with their quality of service, and quality of workmanship. Here?s to another 10 years!"

Tabreeca S.W. also gave a five star rating for Specialty Engraving. She says, "Not sure how I could forget to send this note of thank you to you and your team. Lauren Anderson was a huge help on such a crucial event that we had for our school... Not only did they do a rush job for us but when there was an error that I noticed upon pickup they graciously corrected it and surprised me with an extra one! The extra one was in a different finish than what I asked for and it turned out to be the perfect finish for the gift we had honoring two of our leaders that are moving out of state! Thank you. Thank you. Thank you SE! You are a class act and we look forward to working with you this upcoming school year."

Examples of their acrylic awards are the blue/clear diamond acrylic, red/clear diamond acrylic, crinkle edge acrylic block, crinkle edge acrylic tower, spectrum award, acrylic beveled rectangle on base, acrylic beveled rectangle, clear acrylic sail, clear lucite diamante award, clear lucite royal diamond, diamond impress, faceted acrylic octagon, aquus monument, aquus peak, canyon series acrylic plaque, canyon series acrylic round plaque, and acrylic diamond with black base.
