New TurboTax Service Codes Released

October 12, 2018

October 12, 2018 -
MyDealsClub is a company based in Huntington Park, California, that offers discounts on various items that consumers purchase online. The company recently announced that they now have valid service codes to save consumers money on TurboTax.

Jake Durran, a representative for MyDealsClub, says, "The tax extension deadline is quickly approaching. Take advantage of extension filings that will be coming from now until the deadline of October 15, 2018, which is the IRS deadline date for late filing."

Durran says that MyDealsClub, in conjunction with TurboTax, is offering great discounts from now until the deadline. Tax codes can be found at https://www.mydealsclub.com/stores/turbotax/. Customers using these codes can save up to five to ten percent, depending on their individual needs.

"Don't miss the tax deadline," says Durran. "Take advantage of this offer and file with TurboTax immediately. You only have a few more days until the deadline."

MyDealsClub offers discount codes to consumers in an effort to help them save money on various products and services. The company has teamed up with TurboTax in an attempt to help individuals and families to cut

back on their taxes and IRS filing expenses. TurboTax is one of the most trusted and popular online tax services according to the latest TurboTax review 2018. Millions of consumers use TurboTax for their online income tax filing as the company offers reasonable pricing and detailed assistance for those who do not typically file their own taxes. Reports show that TurboTax is the most popular online filing system for United States income taxes.

TurboTax offers a wide range of tax preparation and related services to meet the needs of individuals and small businesses. Clients can visit the site online and then answer a few questions about themselves and their income and families in order to get started in filing their taxes. The company also offers live assistance as well as assistance through email and other means for those who are unsure that they are filling out all of their information properly. More about TurboTax and their discount programs can be found at http://sproutnews.com/turbotax-discount-coupons-launched-ahead-of-tax-season/.

MyDealsClub helps consumers even further by adding discount codes to their website. Consumers simply visit the site to find the discount code that they want to use for a particular product or service. Durran says that the website helps to bring together consumers and businesses that want to offer those consumers discounts. The site offers the latest coupon codes from more than 3,000 popular stores, all based in the United States.

Consumers who want to begin saving money simply sign up at MyDealsClub and begin looking through their various coupon codes. The site was founded in 2009 and currently have discount codes for TurboTax, as well as other businesses like Amazon, Spring, Verizon, Hotels.com, Sears, Target, Tire Rack and many others. The company says that consumers can browse the site to learn more about them or to look through their many different coupons. The site also has Facebook and Twitter pages that consumers can visit to learn more, read reviews from other consumers and keep up to date with any new coupon codes that are being offered in the future.

Durran says that MyDealsClub offers coupon codes and special deals that help consumers to enjoy their favorite products and services at a steep discount over the normally advertised prices. The company states that anyone is eligible to visit them and to begin saving money on their site. The online coupon site currently has page after page of coupon codes that are available.

The company states that with the tax extension deadline just a few days away, now is the time for consumers to take advantage of their discount coupon codes for TurboTax. TurboTax says that millions of consumers and small businesses are filing their taxes by the October 15 deadline date this year. Those who are comfortable filing their own taxes can do so on the site and those who are not sure how to file these extended taxes can find more information about the process on the TurboTax website. MyDealsClub states that while these particular coupon codes are only valid until the tax extension deadline this year, they may very well

have additional coupon codes that will begin in January and be valid through the April 2019 filing date for 2018 income taxes. Those who are interested in learning more about future codes can join the company on any of their social media sites or sign up on their website and check back regularly for updates.
