About Moloney Painting Ltd.

Moloney Painting Ltd is a family-operated business specializing in commercial and residential painting since 1991. The Moloney difference is what sets them apart from other painters and their services with integrity and with the clients interests in mind. Those interested should remember this when choosing their next interior painting, exterior painting, or commercial painting company in Victoria.

It doesn't matter how small or large a painting job is; they are offering professional home painting services for any type of painting job. Their professional painters can handle any job thrown at them. They believe that no matter how large or small a job is, the quality and craftsmanship that goes into it are still exactly the same, high-quality work delivered on time, every time.
