Garry Dhillon Takes Home 'Rising Star' Award From Annual Business Conference

Fort St. John, BC. ? In just his first year of business, local entrepreneur Garry Dhillon came to the rescue of countless Fort St. John, BC area consumers who became victims of property damage emergencies. His responsiveness, exceptional restoration service, and compassion in helping homeowners recover from property crises helped him earn Overflow Restoration's "Rising Star" award.

Overflow Restorations technicians, known as the nation's "Paramedics of Property Damage(TM)," respond quickly to property damage emergencies, take the steps necessary to restore the property damage, and prevent the situation from getting worse. Smith earned the prestigious "Rising Star" award from among all of the first-year Overflow Restorations Franchise Owners around the country who were considered for the award. The Fort St. John based restoration company presented him the honor at the company's annual convention.

"Every year, we present our Rising Star Award to the owner with the highest sales in their first 12 months in business, and each year the award winner sets a new record. We are proud to say that Jason has continued the trend," said Overflow Restoration's Project Manager, Garry Dhillon. "His passion for the business and for helping people is a tremendous inspiration to all of the Franchise Owners in our system."

Overflow Restorations Emergency Restoration Specialists in Fort St. John, BC, is a top service provider of area insurance companies for property damage mitigation services for homes and businesses, as well as for large-scale natural disasters and catastrophic clean-up projects.

"This award validates that we are part of a great brand and a system that works. Our level of customer service and quality on site is because of our dedicated, hard-working staff," Garry said. "At the end of the day, it's all about helping the people and getting lives back together. It has been a pleasure serving the community and we look forward to many more years of providing property emergency recovery services in

the Fort St. John, BC area."
