

# Home Health Care Agency In Dallas TX Uses Specialized Therapies To Improve The Lives Of Patients

*July 02, 2015*

July 02, 2015 - PRESSADVANTAGE -

Tender Care Inc., a company based out of Dallas, TX, reveals that their home care services in and around the Dallas area are making a real difference in the lives of patients. The company provides services such as occupational therapy, speech therapy, medical social services, home health aides, and skilled nursing, among others. They are state-licensed, and work with each patient's doctor or medical professional to provide the most outstanding care available. The company explains: "We bring high standard health care right to where you live. We have the best home health care agency in Dallas TX and are always vigilant to your needs and are truly committed to our duties and responsibilities to you. This is why many residents in Dallas always choose us to be their home health care provider."

Tender Care, Inc. is not only recognized as being a customizable service based entirely on what each patient requires, but are also known for their affordable rates when compared to competitor home care providers within the area. With highly flexible schedules, and staff that is described as passionate and industry-experienced, the company believes that they bring something entirely unique to the home health care industry. They have said the following regarding their staff and the care provided: "Our staff has the heart to care! You can find competent people in any discipline of health care but you cannot train any individual to possess the compassion and the dedication to attend to the needs of the sick and the elderly. At Tender Care, Inc. you will find that our staff here truly care about you and your health. Thank you for choosing Tender Care, Inc. to be your ally.

Services provided by staff include bathing, dressing, picking-up prescriptions, preparing grocery lists, answering telephones, helping with leisure activities such as reading and organizing photo albums, and much more. The company offers assistance with both medical, and average everyday activities to help their patients lead healthy, happy lifestyles as close to their normal routines as possible.

When seeking home care agency in Dallas TX, Tender Care, Inc. invites new patients to view their list of services and ethics on the company website. Here individuals can read more about staff, wellness resources, and contact the company for home services. Downloadable flyers and brochures are also available from the

website with promotions and special offers for new patients.

As a top home health care agency in the Dallas TX region, Tender Care wants to continue growing and evolving with the best patient care available to those they work with. They have been very open in their hopes to continue adding services and expanding their service area as time goes on. Currently patients from areas such as Collin, Denton, Hunt, Johnson, Rockwall, and Parker can seek customized home care from Tender Care, as well as many other local regions nearby. They invite any customer who is unsure about whether or not their area is within the service distance to contact them or view their website for details.
