

One of the Top Stafford Employment Agencies Hosts Ninth Annual Leadership Simulcast

October 18, 2018

October 18, 2018 -

Stafford, Va. ?Express Employment Professionals, one of the top Stafford employment agencies, is hosting the 2018 Refresh Leadership Simulcast, a nationwide leadership event featuring Secretary of State Gen. Colin L. Powell, USA (Ret.), former president of Adidas North America, Mark King, and author, speaker, and Paralympian Josh Sundquist.

Back for its ninth year, the Refresh Leadership Simulcast attracts more than 9,000 attendees annually throughout the U.S. and Canada. The event focuses on how leaders can reach the next level, inspire their people and become more effective in their role. The event will be simulcast on Wednesday, Oct. 24.

King kicks off the event with ?Lessons in Leadership: Competing with Creativity.? This innovation expert is the former president of Adidas North America, and challenges leaders to inspire a workforce of creativity and confidence to create things consumers won?t believe are possible.

The lineup with the Stafford staffing agency continues with Gen. Powell who served as the Secretary of State from 2001 ? 2005 under President George W. Bush. Drawing from his experience as a leader on the world

stage, Powell will illustrate what it takes to be a successful leader, particularly in times of great change and difficult crises.

Rounding out the lineup is the dynamic Sundquist. This humorous and inspirational Paralympian is known for his ski racing training motto: 1MT1MT, one more thing, one more time. This phrase refers to what leaders can do to elevate their performance in sales, customer service, quality improvement, leadership and more. Sundquist's goal is for the audience to walk away from his motivational presentation with a fresh perspective on everything they have to be grateful for, resolve to overcome whatever challenges they face and a commitment to do one more thing, one more time to reach their potential.

"Refresh Leadership offers a wonderful opportunity to develop your staff with current training to help them grow personally and professionally," said James Matthews, Stafford Express Owner.
