*October 30, 2018*

October 30, 2018 - PRESSADVANTAGE -

Aantex Pest Control NorCal is proud to announce they are celebrating their 48th year of serving Sacramento and its surrounding areas with exceptional Pest Control Management. Since 1970 Aantex has been continuing to raise the bar in residential, commercial and property management services, offering the most competitive prices in Northern California.

Celebrating their 48th Year in the Pest Control Services business has built a history with a proven track record of "Customer first" and "Get it right the first time". This anniversary, which commemorates 48 years of challenges in keeping up to date with the most successful and cutting edge pest control also represents the fact that Aantex Pest Control NorCal has been able to Keep satisfied customers loyal to their business, year after year.

For over 48 years and counting, Aantex has been delivering exceptional pest extermination services. From exterminating roaches, rats, ants or fleas, bed bugs, spiders or other pest, Aantex Pest Control NorCal has provided these exterminating services to several counties in Northern California including Sacramento, Placer Yolo and El Dorado Counties.

Aantex Pest Control NorCal began its business in 1970 when Jim and Evelyn Wood the owners saw an opportunity to fill a need in the pest control services and management industry and still be able to raise and to support a large family.

Learning how to build a new business while providing the best service to customers and all the while, maintain lasting relationships with them was a bit of a challenge in the beginning but, soon after opening they stood up to the challenge, while never compromising quality of service or forgoing any family responsibilities. Not an easy task, representatives from the company say.

One of the many reasons for Aantex Pest Control NorCal's success is being able to maintain a growing number of loyal customers. This is not blind luck, but a caring attitude which is reflected by all Aantex's employees.

One triumph for Aantex after 48 years in business is that despite many economic downturns they have been able to keep their doors open and in fact flourish.

Owners and Managers at Aantex Pest Control NorCal, Jim and Evelyn Wood, agree that one big reason Aantex has such success is they have been able to keep a loyal, honest and exceptionally trained staff with a very low turnover throughout the years. They are doing things right at Aantex pest Control Norcal.

Aantex Pest Control NorCal's owners, Jim and Evelyn Wood, are delighted to report that celebrating almost 50 years in one of the toughest markets for services rendered in Northern Cal is indeed a milestone amongst Pest Control companies.

According to co-owner and founder Jim Wood, "our continuing objective is and always will be, to provide exceptional customer service both in and out of our office. Customer satisfaction will continue to be the number one priority even before focusing on growth of our company." Aantex recognizes customer satisfaction will always bring growth and stability. They extend their utmost appreciation to any who along the way, have contributed in making Aantex Pest Control NorCal one of the most successful pest control businesses in NorCal in a highly competitive field.

Aantex Pest Control NorCal wishes to thank customers' friends and associates for their support and congratulations on their 48th year of a successful and flourishing Pest Control business.
