November 14, 2018 - PRESSADVANTAGE -

Discover Local Beer, based in Rancho Cucamonga, CA, has announced the launch of the Discover Local Beer website, <https://discoverlocalbeer.com/>. This site has been designed to showcase local craft breweries located in the Inland Empire region of Southern California. This includes the provision of information on the breweries' staff, their products, and any upcoming events.

Spokesperson Bob Lelle says, "The new site is a one-stop portal with several unique features. First, there is a combined newsfeed of Facebook posts from each of the local breweries. Second, it contains links to the Facebook newsfeeds of each of the breweries without the need to search for each brewery or accessing Facebook. Third, the Today's Events section displays all of the scheduled events as indicated on Facebook for all breweries. Finally, the Weekly Events page is searchable by category and date."

By providing selected Facebook posts from local breweries, the Discover Local Beer site offers interesting news and information from different breweries. For instance, there is Wiens Brewing Company's post announcing the upcoming release of their "Get Roasted" Coffee Stout in 16 oz cans. This is produced using locally roasted coffee in Temecula. Meanwhile, Last Name Brewing also announced that they are urging beer lovers to join them in celebrating Thanksgiving early for a Wine and Stein ceramic painting night. And a post from Old Stump Brewing Co. announced that their holiday beer, Santa's Sin, is back.

Meanwhile, a post from Discover Local Beer shared a photo from Brew Rebellion San Bernardino of a firefighter in action and expressed gratitude to all the firefighters and first responders. In another post, Chino Valley Brewery announced that every Wednesday at 7:00 pm is Geeks Who Drink Trivia night.

The Discover Local Beer website, according to Bob Lelle, was developed to help beer lovers find the local brewery that they're looking for in just one spot. With this website, people will no longer need to search through Google or Facebook when trying to find a local brewery or brewery related events. It has also the purpose of helping local breweries.

For those who are interested in local brewery related events, the Discover Local Beer website has a Weekly Events section that can be accessed at <https://discoverlocalbeer.com/weeklyevents/>. It is in the form of an event calendar so that those interested in them can easily integrate certain events into their calendar.

For instance, acoustic sessions are held regularly at Refuge Brewery, Temecula, CA. Bingo nights are held every week at Innovation Brew Works, Pomona, CA. Ladies night karaoke is held every Tuesday at Brew Rebellion San Bernardino. Wednesday Pint Nights are held at Kings Brewing Company every week at Rancho Cucamonga, CA. Open Mic Nights are hosted by Warehouse Jam Sessions every Wednesday at Brew Rebellion San Bernardino. And each month, a Trivia Night is held at Hamilton Family Brewery, Rancho Cucamonga, CA.

At Ballast Point in Temecula, CA, they have a Ramen Thursday every week from 11:00 am to 11:00 pm. At Inland Wharf Brewing Co., Murrieta, CA, they hold a Geeks Who Drink night every Thursday from 7:00 pm to 9:00 pm. And every Tuesday, Ballast Point celebrates Taco Tuesday from 11:00 am to 11:00 pm at Temecula, CA. Meanwhile, at Wicks Brewing, beer lovers can take part in playing D&D with their "You start in a tavern" event. They say that it is for everyone interested in D&D, whether they are just learning the game, or they have a campaign and just want a change in scenery.

Meanwhile, Brew Rebellion San Bernardino will be holding an Album Release Party on December 1, 3:00 pm to 11:00 pm at San Bernardino, CA. Refuge Brewery will be holding its 6th Anniversary celebration on December 1, 5:30 pm to 10:00 pm, with a musical performance by Stacy Mitchhart and food provided by Epic Eatz. On December 2, at 10:00 am to 12:00 pm, Brewcaipa Brewing Co. will hold a Bend & Brews exercise event at Yucaipa, CA. On December 4, Dragon's Tale Brewery will hold a charity event, Paint Your Pet for the Homeless Pets of Inland Valley Humane Society and S.P.C.A., from 5:30 pm to 9:00 pm, at Montclair, CA.

The above are a sampling of upcoming events to be held at local breweries to provide people an idea of what

they might want to go to. Those who are interested in being kept up to date on local brewery developments are encouraged to like the Discover Local Beer Facebook page at <https://www.facebook.com/DiscoverLocalBeer/>.
