McLean, Virginia -- A local residential roofing contractor company, Roofer 911, has released a showcase video review highlighting a testimonial from a happy customer. The video was published to YouTube on November 5, 2018.

Roofer 911 is dedicated to providing exceptional service for their residential roofing customers, and that dedication to friendly professionalism comes through, as evidenced by the hundreds of positive reviews the company has received for their services. The showcased review is one of the latest in a long history of positive reviews for Roofer 911 posted on Facebook, Google, Yelp, and other social websites.

The showcase review video is available to view on YouTube at the following link:

The review showcased in the new video is from satisfied roofing customer Judy Chung, who states: "It was a pleasure to work with Steve. He was very thorough in his inspection of our roof and each possible affected room in the house. He was very easy to talk to and easy to understand, and I feel comfortable recommending

him to anyone who has roof problems. I will definitely call him again if we have future problems."

'Steve' refers to Steven Briesemeister, the president of Roofer 911. The company has been in business in McLean, Virginia, for more than 13 years, and specializes in emergency roof repair and leak repair due to improper installation, according to the description listed with the Better Business Bureau. In addition, Roofer 911 handles a number of roof repair and related problems including roof installation, infrared leak detection, ice dam removal and prevention, gutter repair, storm damage claims, chimney repair, attic ventilation, and siding repair.

Roofer 911 is located on Old Meadow Road in McLean: <https://goo.gl/maps/m3w2m9SmEj52>.

The McLean residential roofing contractor company is no stranger to customer satisfaction. Aside from the most recent showcased review from Ms. Chung, Roofer 911 currently has 226 reviews on Google with an average rating of 4.9 out of 5 stars; 30 reviews on Facebook with an average rating of 4.9 out of 5 stars; and 117 reviews on Yelp with a solid 5 out of 5 star rating average. In addition, the company is an A+ accredited business with the Better Business Bureau (BBB).

The company is also an award-winning business in several respects. In 2017, Roofer 911 was the winner of the Best of the Best National Award for customer service excellence. This award was also showcased on YouTube by Rich Noonan, host of Best of the Best Television. In 2015, Roofer 911 was highlighted by Angie's List, where the company received a Super Service Award for exceptional customer service.

Roofer 911 takes its guarantee of customer satisfaction seriously, going above and beyond to serve its customers. Over the years, the company has helped hundred of homeowners throughout the McLean area and surrounding counties, including Northern Virginia, Loudoun County, Fairfax County, Fauquier County, and Prince William County, solve their emergency roof problems quickly and professionally. Reviews for Roofer 911 praise the company's fast response, friendly attitudes, transparent and easy to understand explanations of the problems, and superior craftsmanship.

Providing fast, high quality service is a hallmark of Roofer 911's services. The company understands that small leaks can quickly lead to larger problems down the line, and that major roof damage is unsettling for homeowners to deal with. In most case, Roofer 911 delivers same-day or next-day service for roof repairs, and their emergency roof tarping service to prevent further damage is always available to provide homeowners with piece of mind, knowing that their investment is protected.

In addition to residential roofing repair, Roofer 911 works with homeowners' insurance companies in response to insurance claims from storm damage. For bad weather insurance claims, the company works quickly to resolve the problem and coordinate with the customers' insurance company to ensure that the work

is done fairly and accurately.

As a landslide of positive reviews can attest, Roofer 911 is among the best residential roofing companies in Virginia.
