November 13, 2018

November 13, 2018 - PRESSADVANTAGE -

Fort Saskatchewan, Alberta based Telus/Cambridge Electronics Incorporated is proud to partner with Scene to provide yet another exclusive offer for scene members. This time scene members can receive a total of 10,000 Scene points. During this promotional offer, Scene member that activate a new 2-year in-market Your Choice rate plan are eligible to receive 10,000 Scene points.

This offer is available to all new customers that activate on a 2-year in-market Your Choice rate plan from November 1, 2018 to November 20, 2018. The offer is only available to new activations and to qualify it must be redeemed at TELUS Corporate stores, Retail, Authorized Dealer locations or www.telus.com only. Business accounts are not included in this offer, it applies to consumer accounts only. Customers must also reside in Canada and have a valid phone number within their province of residence. Telus Exclusive Scene Offer is stackable with all in-market offers excluding the BYOD promotional offer. Customers are able to add a line to their existing accounts using their SCENE membership card (up to 4 lines). Just the same as last time, there are many offers exclusively for Telus team members, so this offer is not available to TELUS team members, Retail sales representatives or dealer sales representatives.

Telus Partners With Scene regularly and this offer is just as easy to collect as the previous promotions have been. A table on the Telus website explains how to claim this exclusive offer of 10K Scene Points. The first

step is to go through the activation process exactly the same as per the standard process. Customer?s can then choose any ?2-year in-market Your Choice Plan? and complete the transaction step of the process as normal. After completing the purchase, the customer simply needs to visit telus.com/scene10k, fill out the application form with a valid Scene membership and they will then receive their points by December 15, 2018.

The Frequently Asked Questions page of the Telus website explains, ?What do I do if a customer activated a smartphone but has not received their SCENE points?? they say that the company should, ?ensure the customer is aware that it may take up until December 15, 2018 to have the points awarded to their account.? Please note that the Exclusive Scene Offer is only valid between November 1, 2018 to November 20, 2018 and is for no more than 10,000 points. ?If the customer still hasn?t received their points by then (December 15, 2018), advise the customer to contact the TELUS Call Center at 1-866-558-2273.?

Telus has a highly active Facebook page and is recommended by 195 people. The customer service team is praised by many, including by Leighanna Kramshoj, she says ?tonight, I want(ed) to cancel my Telus account, after speaking with 2 representatives I called back and got Dawn. Telus I promise, if not for the kindness and sweetness of this young lady, I was Bell bound! Congrats on your hiring ability. I am back to being a believer! Telus fan right here! Great Save!?

Another loyal Telus customer, Kevin MacDonald, wrote a positive (5 Stars) review on the Telus Facebook page saying, ?Awesome customer experience, I called in didn?t have my pin because no one remembers those anyways, the agent by the name of Jaime said He could call me back in five minutes well I look for it, which he did. Unfortunately I couldn?t find it so the agent called my father who the account is listed under and verified the account well I was on hold and then was able to proceed with helping me with my account change quickly and efficiently. I been with Telus for over 8 years myself since my first cellphone and my family has been with them 10 years plus. Always been a great experience and good value.?

Not only do Telus care about getting new customers like someone could think by looking at their Exclusive Scene Offer, but they put a large amount of resources into retaining and looking after their customers. A review by Harp Hair shows exactly that, ?Been a telus customer for years. My bill went up to \$184 and to get it back to my \$84 dollars had to call them. On the line for 2 hours and then they would not offer the same rate, (I) lost 2 packages and my Movie channels, and still paying more than I was. (To my) surprise, to get this rate (I also) have to sign for another 2 years. I was later contacted by a Telus representative who honoured my previous price point and returned my package back to what it originally was. Thank you Telus.?
