Newport Beach, California ? Patients coming to a Newport dermatology office are usually looking for ways to rejuvenate their skin and their looks, and in doing so improving their self-esteem. Stefani Kappel, MD is aware of this so she wanted to offer her patients tips on getting the best results from Botox.

Dr. Kappel notes that finding the right dermatology office for the treatment is crucial. She further states that an experienced dermatologist will know exactly what a patient?s skin needs much better than an inexperienced person working at a medical spa. The post offers additional tips that one should keep in mind when preparing for Botox treatment.

In her blog at www.stefanikappelmd.com, Dr. Kappel seeks to provide professional advice concerning common cosmetic procedures. She wants her blog to be a place where people can go to find expert information regarding many of the most common dermatological and cosmetic procedures. Realizing there is a lot of incorrect information circulating on the internet, Dr. Kappel has chosen to share her knowledge with readers using this platform.

Dr. Kappel offers a variety of cosmetic procedures from facial rejuvenation and Botox to lip injections in Newport Beach. For more information about skincare and cosmetic surgery in Newport Beach, or to set up a consultation or schedule an appointment, call (949)239-0494.
