

Montreal SEO Company Announces New Local SEO Services

November 19, 2018

November 19, 2018 - PRESSADVANTAGE -

Montreal SEO Company, has recently announced the inclusion of professional SEO services that target local businesses. The announcement comes at a time when local businesses are focusing on online platforms such as websites to help increase sales and profits. These services are expected to boost local business presence online and increase visibility significantly.

With professional SEO services, it becomes easier to reach out to customers who are focusing their attention online. This explains why Montreal SEO Company is including the following local niches in their local Marketing Services for small businesses: Kitchen & Bath Contractor, Nightclub, Home Builder, Windows and Doors Contractor, Orthodontist, Electrical Contractor, Pool Contractor, Veterinary, Medical, Home Remodeling Contractor, Lawyers, Realtor, Basement Waterproofing Contractor, Dentists, Landscaping Contractor, Appliance Repair Services, Garage Door Repair Services, Demolition Contractor, Roofing Contractor, Chiropractic, HVAC Contractors, Hardwood Floor Contractor, Accountant, Excavation Contractor, DJ Services, Photographer, Plastic Surgeon.

Consumers are looking for services and products in online shops. This includes the shops that are just around the corner. The SEO Company stated that, "About 55% of American adults use their smartphones and tablets to search for products and services information from local providers. Why don't you take advantage of this and be where they are looking. Our local search optimization will ensure that your website is the first one your target customers see when they search. About 73% of people in a survey said that they first confirm a business's location before visiting it. This simply means you should have everything your customers are looking for about your business."

During the announcement, Jonathan Loiselle the CEO of Montreal SEO Company said, "We provide the search engine optimization service you need to connect with potential customers near your business. Each month there are more than 11 billion distinct searches conducted in the United States. More than 35% of these queries are neighboring searches such as city, state, or even neighborhood names. Local SEO can assist you in making the most out of this opportunity."
