

Dr. Amauri Wellness Centre Announces Best Naturopathic Treatments in Toronto For Winter-Related Illnesses

December 04, 2018

December 04, 2018 -

Dr. Amauri Caversan, B.Sc., N.D. of the Dr. Amauri Wellness Centre announces his recommended naturopathic treatments to combat winter-related health conditions on his website blog. Dr. Amauri is a board-certified naturopathic doctor and has been practicing medicine for over 20 years. He utilizes up-to-date treatments and knowledge to offer many alternative naturopathic treatments at his health center in Toronto.

When approached about this announcement, Dr. Amauri shared this comment, ?Naturopathic medicine and healing is an alternative approach to having chemically-enhanced drugs pumped into your system. My approach to health and medicine focuses on natural vitamins and minerals to help you heal. With winter almost in full-effect, relying on naturopathic medicine is crucial to avoid the flu, reduce asthma symptoms, and relieving arthritis.?

Dr. Amauri offers many cutting-edge treatments at the Dr. Amauri Wellness Centre in Toronto. For example,

he offers IV therapy treatments to give patients a boost of vitamins and minerals. Depending on the vitamin and mineral combination, patients will get relief from specific conditions, or simply feel refreshed and energized. Other treatments include acupuncture, cold laser therapy, and shockwave therapy.

Janet Grant was happy to share this review on Google, ?Dr. Amauri was highly recommended to me and I have been in his care for nine years. Over the years Dr. Amauri has helped me with a range of health issues: Acid Reflux, Diet, Weight Loss, Osteoarthritis, Back and Knee pains. His holistic approach to Naturopathic Care makes one realize that every aspect of life has to be incorporated to maintain a healthy life. Dr. Amauri encourages adherence to treatment, follows up on issues and provides detailed instructions and recommendations. His passion to find solutions for many problems has led him to keep up to date through various courses. Also, his sense of humor helps one to rethink preconceived ideas and to try harder to implement new ones. I would happily recommend Dr. Amauri, without hesitation, to anyone seeking Naturopathic Care.?

Dr. Amauri has discussed the health benefits of naturopathic medicine and how it can improve weight loss efforts. With the naturopathic detoxtification, patients have seen results they are excited to share. This detoxification process may also promote anti-aging by restoring the organs on a cellular level once the body?s toxins have been expelled.

Claudia Katona sought Dr. Amauri?s naturopathic care for its weight loss benefits. This was the review she shared on Facebook, ?Dr. Amauri and staff are absolutely amazing. Dr. Amauri truly cares and takes his time with all my visits. He is helping me with hormonal issues and weight loss. I already lost 28 pounds since January. I highly recommend Dr. Amauri Caversan's Naturopathic Clinic.?

Dr. Amauri has situated his wellness center in the heart of Toronto. He strives to provide excellent ?bed-side? manner to his patients because they are his neighbors in the community where he lives and works. Because he considers his patients to be his neighbors, he also strives to provide more intimate services that require complete discretion, such as addiction therapy and fertility treatments.

Chris Leedham has seen other Naturopaths in the past and has settled on Dr. Amauri. This is the review of Dr. Amauri?s services that he shared on Google, ?I have been seeing Dr. Amauri for many years now. He is one of the best Naturopaths I have ever been to. He takes a holistic approach to your health and customizes a personalized treatment plan. He has helped me with weight, and stress/fatigue that comes with today's fast-paced world.?

Dr. Amauri, a Naturopath Toronto Doctor, offers an evidence-based scientific approach to health and medication. With the wide variety of treatments he offers, he is able to personalize each treatment plan to fit the needs of the patient. He even offers cancer support with his naturopathic approach, to help with some of

the side effects of chemotherapy treatments. He also offers proactive lab testing to ensure that his patients are always in peak health. For more information on his wellness services, feel free to drop by his naturopathic clinic or call to schedule an appointment.
